

# NFCL recognized for Compliance at India Compliance Awards 2014

Legasis Services, a Mumbai-based company, involved in providing on-line compliance management system has instituted the Annual Compliance Awards 2014, to recognise and honour Compliance and Ethics professionals, who excelled in exhibiting the culture of Compliance across the organizations.

The Compliance Awards were presented on October 10, 2014 as a culmination of week-long celebration of Compliance & Ethics Week 2014 observed for the first time by India Inc. between October 6-10, 2014.

October 10 has been registered as 10/10 Compliance Day, to be celebrated every year. The day has been chosen as it symbolizes that every organisation needs to ensure compliance with 'all applicable laws' and implement Robust Compliance Program by scoring 10 on 10 on compliances.

## About Compliance Awards:

The Compliance Awards 2014 are aimed to enhance India's ranking in Global Integrity Index and reflect commitment to celebrate and reward creative excellence; acknowledge the most current, breakthrough work in Compliance and Ethics field. The aspiration is to build Compliance Awards as iconic statue thereby to make it the most widely recognized and coveted symbol of the industry's exemplary accomplishments in Compliance and Ethics.

In its inaugural year, Compliance and Ethics professionals submitted their nominations for the following categories of awards :

- Excellent Performers 2014 - Five of them
- Compliance Team 2014
- Compliance Champion 2014
- Compliance Program 2014
- Compliance Ecosystem 2014
- Compliance Crusader 2014
- Ethical Business Group 2014

## Nominations shortlisted

The following associates of the Company were shortlisted from out of 150 nominations received from companies across various industries and sectors for the various categories of awards :
